

## CORONAVIRUS OUTBREAK RISK ASSESSMENT 08.03.21 VERSION 28

Our underlying principle is to endeavour to keep our pupils and their families, and the staff and their families safe and well.

**This risk assessment has been reviewed and amended following the recent announcement that all children can return to school as of 08.03.21. It adheres to the most up to date guidance provided by the DfE.**

New information added since the previous version (27) has been underlined.

### GENERAL INFORMATION

Health and safety of self, pupils and others is the responsibility of all staff. The following risk assessment contains actions and guidance but it remains staff's responsibility to act on these.

ALL STAFF MUST READ THIS RISK ASSESSMENT

**Please see Appendix 1 for detailed information regarding hygiene, PPE and cleaning/sanitisation.**

**Please see Appendix 2 for actions to be taken in the event of a suspected or a confirmed case(s) of coronavirus.**

Each school will operate as a whole school bubble. This will enable each school to operate and function as close to normal as is possible. However, for the vast majority of the time pupils and staff will remain within their class/working groups.

There are a small number of staff who work across the federation. These staff must be vigilant in their cleaning and hygiene routines, and should limit their movement around each school. Where possible, staff will work whole days in each school.

Each class/area has a box of cleaning materials and each staff member has access to all PPE - aprons, gloves, face masks and a face visor.

The Government have recommended that all secondary age pupils wear face masks. This is not appropriate for the vast majority of our pupils. As such, pupils will not be asked to wear face masks but they may wear it if they or parents/carers wish it. However, in order to do so safely,

pupils will need to be able to manage this themselves, including not repeatedly touching the face mask and the changing of the mask frequently. For further information, please contact the school.

**If any part of this risk assessment is unclear or causes concern, please speak directly to Rachel Weldon.**

This should be discussed with SLT in the first instance.</p> <p>Where possible, staff to avoid holding pupils' and students' hands and instead should use 'caring C's' to guide.</p> <p>Physical interventions can be used as a last resort; staff/pupil should wash their hands thoroughly for 20 seconds afterwards.</p>
--	--

	<p>External visitors and parents and carers visits to the school will be strictly limited to those only deemed as absolutely necessary, such as for safeguarding or for pupil's therapy or medical needs and only where meetings/interventions cannot be undertaken by any other method. <u>Ideally, only one therapist should be on site in each school at any one time.</u> Contractors must only come on site if absolutely essential (the building works at St Francis are an exception as their site is completely separate to the rest of the school site).</p> <p><b><u>SLT must agree any visitors to the site beforehand, including therapists/medical professionals.</u></b></p> <p>A separate risk assessment has been written to manage visitors coming onto site and will be sent to them prior to the visit.</p> <p>School admin staff will sign visitors in and out (not the visitors themselves) and take a mobile number to enable track and trace. All visitors must wear a face covering.</p> <p>Conference calls and telephone calls should be undertaken instead of face to face meetings.</p> <p>Where possible, all communication/forms should be electronic.</p> <p>Trips/community visits will not take place.</p> <p>Outreach visits to other schools will not take place (meetings can take place via conference calls).</p> <p>Home visits will not take place.</p> <p>Swimming and hydrotherapy will not take place.</p>

Only trained staff can use the fogging machines and full PPE must be worn, including goggles and specified face mask.</p> <p>Hand sanitising stations are strategically placed around both schools.</p> <p>Posters reminding about social distancing and hand sanitisation are strategically placed around both schools.</p> <p>Smaller rooms have a capacity limit displayed on the door. <b>These numbers must be adhered to.</b></p> <p><b>All rooms must have fresh air ventilation; therefore, a window(s) must be open at all times.</b></p>
Aerosol generated procedures (AGP)	Staff	Pupils who have the need for procedures that are aerosol generating have a risk assessment written (please see separate risk assessment).

		<p>Oral suction is not classed as an AGP (the most up to date Risk Assessment document produced by NHS Solent Trust dated January 2018 and circulated 29.7.2020) states that, '<i>Children requiring Oral suction reassessed as non-AGP</i>'); therefore, this can be performed by staff wearing appropriate PPE (see Appendix 1).</p> <p>Deep suction or the cleaning/changing of a tracheostomy will not be undertaken by school staff.</p>
<p>Movement around the site</p>	<p>All</p>	<p>Other than site staff, all staff must enter the school building by the front door, wearing a face mask or face visor, to enable hand gel to be used immediately. Care must be taken when using cards/fobs to gain entry not to touch the electronic reader. <b>At St Francis all staff must sign in and out using their own pen. PENS MUST NOT BE LEFT FOR OTHERS TO USE.</b></p> <p>Movement around the school site should be kept to a minimum and staff and pupils should remain within their classes/working groups as much as is possible.</p> <p>Non class based staff should only enter classrooms/rooms if deemed absolutely necessary eg to give medication, to provide therapy, to provide support for behaviour, health and safety, or an unresolved IT issue.</p> <p>Apart from when working in classrooms, staff <b>must</b> keep a distance of two metres away from each other at all times. Some requested that staff should work with CEV to receive it, others did not.</u></p> <p><u>To date 125 (86%) staff have had the vaccination. There are six staff waiting to receive a vaccination. The EHT maintains a comprehensive list.</u></p> <p><b>Staff must continue to follow the measures in this risk assessment irrespective of having had the vaccination.</b></p>
<b>Staffing</b>		
<p>Managing with reduced staffing levels should staff become ill or have to isolate</p>	<p>All</p>	<p><u>99% of staff are available to work in school.</u></p> <p>Staff must follow the usual protocol for managing absence from school. The reason for not attending needs to be clear i.e.:</p> <ul style="list-style-type: none"> <li>• you are ill (please give specific reason and timescale if you can);</li> <li>• someone in your household has coronavirus symptoms so you need to self-isolate for the specified time (until clarification received following a test);</li> <li>• you have been directed to isolate by track and trace;</li> <li>• other (please be specific as to what this is).</li> </ul>

		<u>Should overall staffing levels reduce to a point at which we are unsafe or class bubbles have insufficient staff to operate safely, as a last resort, the EHT will make the decision to reduce pupil numbers (criteria for places will be pupils who have parents who are critical workers or pupils who are deemed to be vulnerable) or close classes.</u>
Managing with reduced senior leaders should they become ill or have to isolate	Senior Leaders	<p><u>Senior leaders will work in separate offices as much as is possible. Where sharing is required, face masks/visors will be worn and a two metre distance will be adhered to.</u></p> <p>Whole SLT meetings will take place via Zoom.</p> <p>Meetings of four senior leaders can take place as long as face masks or face visors are worn and staff sit at a distance of two metres of each other.</p> <p>Staff members must be two metres away when talking to a senior leader (as with all staff). If this is not possible, face masks or face visors must be worn.</p> <p>EHT will limit contact with individual staff and pupils.</p>
<b>Quality of Provision, School Improvement and Remote Learning</b>		
Impact on the quality of provision, school improvement and remote learning	Staff	<p><u>All staff must be able to access their work email and must check them regularly, at least once a day.</u></p> <p>Staff isolating and therefore working at home, will be given specific tasks to complete.</p>

		<p>School improvement priorities and statutory requirements have been allocated to SLT.</p> <p><u>Remote learning will be offered to any pupils who have to isolate or whose class has had to close or reduce its numbers.</u></p> <p>A Remote Learning Policy and has been written and shared with Governors and teachers, which outlines expectations for remote learning.</p> <p>A Remote Learning Information Guide for parents and carers has been published on the website.</p> <p>New technologies to support remote learning have been set up (Google Classroom).</p> <p>IT equipment can be distributed to identified families to support remote learning.</p>
<b>Well-Being</b>		
Pupils and their families	All	<p><u>All pupils are expected to return on 08.03.21, with the exception of any pupils who have been advised to shield until 31.03.21.</u></p> <p>Parents and carers will be kept fully informed of any confirmed cases of the virus.</p> <p><u>An individual risk assessment has been written for each pupil, which can be used to prioritise provision if pupil numbers need to reduce due to staff shortages.</u></p>

		<p><u>Teachers and/or pastoral staff will phone families at least once a week if their children are isolating or not in school due to staff shortages and will write brief notes of the conversations (held centrally for SLT to check). Where appropriate, staff will also speak to the pupils.</u></p> <p>Information, including well-being information, is updated regularly on the schools' websites.</p> <p>A fortnightly federation newsletter is written containing positive information for parents/carers and pupils.</p> <p>Parents and carers are encouraged to phone into school if they are worried, concerned or simply want to talk to someone.</p> <p>SLT discuss vulnerable children and families in their regular meetings and allocate additional support, where required.</p> <p>School is able to arrange for additional food parcels to be delivered to families via a local charity (Jacob's Well). Staff should alert SLT if they feel a family would benefit from this.</p> <p>A small discretionary grant (Winter Covid grant) has been used to support families in need. The EHT made decisions on how this was distributed following discussions with staff/SLT.</p> <p>CPOMS continues to be used as the method by which we record and share safeguarding concerns. These are read daily by the safeguarding leads and appropriate action taken.</p>
Staff	Staff	The EHT has overall responsibility for staff well-being.

		<p>A Governor has been nominated to oversee staff well-being.</p> <p>SLT discuss staff well-being in their regular meetings and allocate additional support, where required.</p> <p>A 'well-being tree' has been set up to support staff who are unable to work in school (Team C). This team is overseen by a senior leader.</p> <p>Should it be required, all staff can access support and counselling via the OH Service Level Agreement. An information leaflet has been sent to all staff, which includes the contact details.</p> <p>Email cessation is in place for all weekends to allow staff to have a break from work and to spend quality time with their families.</p> <p>Staff should be mindful of the time they come in and leave work to ensure they maintain a healthy work/life balance.</p>
