Grandparents Lunch

Thank you to all the grandparents and older family friends who came to our Grandparents lunch. We all enjoyed spending time with you and hope to see you again really soon.

Thank you to all of our families who joined us for the Family Learning Week. It was such a huge success!

family learning festival

Thank you very much for the positive feedback. We hope to organise another family week in the near future.

The whole school has been learning about the Hindu festival of Diwali. The children have explored this festival with all of their senses.

WE NEED YOUR HELP!

As you know, we are supporting the Gosport Rotary Club's Christmas Shoe box appeal this year. We are collecting shoe box gifts for disadvantaged children in Eastern Europe. We are also collecting items to go into the boxes. We shall be holding a 'box packing' session on Friday 3rd November @ 10am. Please let Hazel know if you're able to help with the box packing.

Gosport Rotary Club

Polite reminder

Whilst social media is common place now and a very useful way to connect with people, please can we remind you of our social media policy.

Parents/carers should consider if comments made on social media could be seen as inappropriate, derogatory or defamatory and damage the reputation of an individual or the school. If individuals are named, this could be considered as cyber bullying or harassment. The school would rather that any complaints are dealt with appropriately with the school, than posted on social media. It is important that parents don't post images of other people's children without their permission. This can cause distress if permission is not sought.

Thank you for your support.

HALF TERM IS HERE

have a great half term!
