Welcome back to all the children. We hope you all enjoyed a lovely Christmas break. The children have settled well into school. We have welcomed some new pupils to Heathfield too.

There has been a change to the playground. We have cordoned off a section of the field for the winter months. This is to keep the children free from mud, also to encourage active play in the playground sections and to ensure adult supervision levels are maximised. New resources have been chosen by the School Council and these have been ordered. We hope that all children will experience a happier playtime as a result.

As always, we continue to strive for positive relationships with parents and carers. We welcome you to come and talk to us about concerns or queries. Please arrange for a mutually convenient appointment if you wish to meet with one of us.

This half term, the value band is 'Trust'. The children will be thinking about who they can trust and how others can trust them. There will be a programme of activities for the children to take part in, to support the achievement of their trust band.

We look forward to a great 2017 at Heathfield School,
With regards,

Hazel Soffe

Jo Rivers

Learn and grow.
