Tuesday - Practise your number writing skills. Can you make these numbers with playdough? Or write the numbers in sand or in the air?

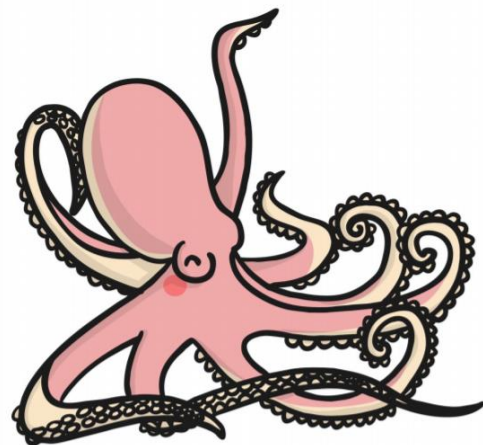

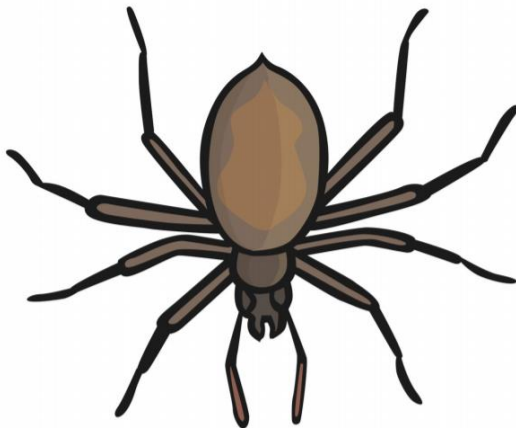

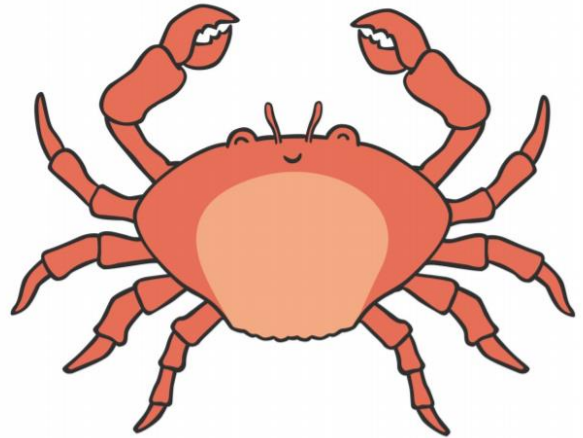

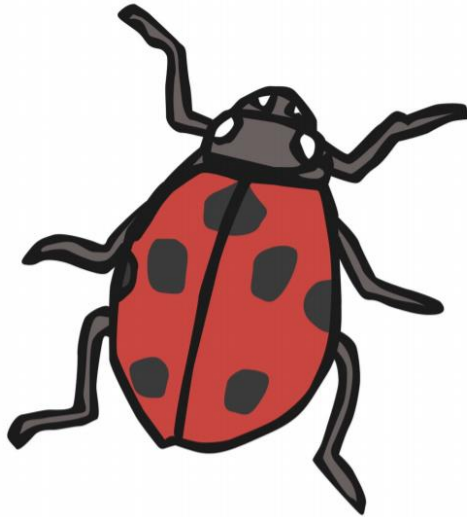

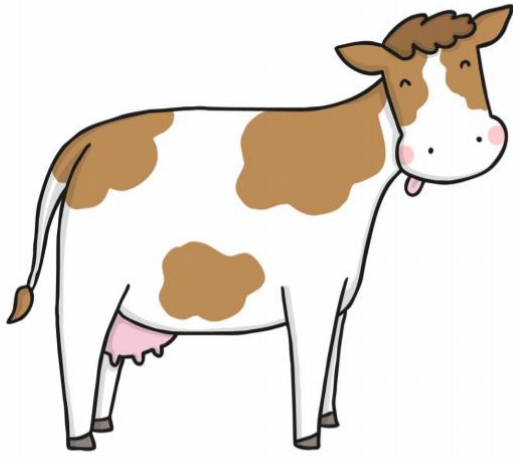

Number Formation

Can you trace the numbers?

Wednesday - How many legs? Cut out each animal. How many legs do they have? Stick each animal into the correct box.

How many

legs

does

each

animal

have?

no legs

6 legs

8
8 legs

Draw

your own

animal.

How many

legs

does

it have?

Thursday - Try these counting at home activities

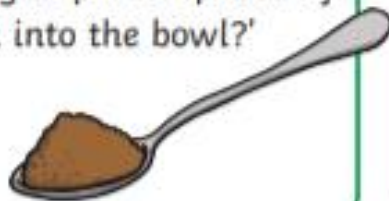

Maths: Counting Objects to 10

Home Learning Challenges

Encourage your child to help you when out shopping by counting and collecting objects to put into the basket, e.g. 'Can you get 2 apples?'

Support your child to help make simple recipes by counting amounts, e.g. 'Can you put 2 spoons of cocoa into the bowl?'

When playing with building bricks or small toys, encourage your child to count how many of each colour or size.

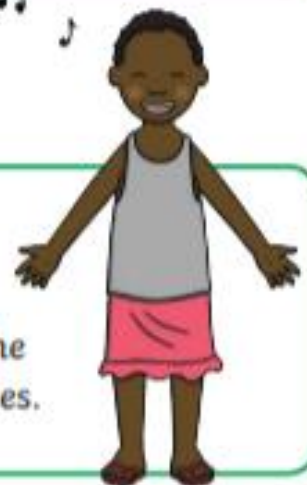

Read number-themed books and count sets of pictures, e.g. Goldilocks and the Three Bears - count the bears, bowls, and beds.

Play simple board games and encourage your child to count the spots shown on the dice and the number of spaces to move.

Sing number-themed counting rhymes and use your fingers or small props to help count the items, e.g. 10 Green Bottles.

Friday - Numberblocks. Watch the videos all about numbers 1,2 & 3

<https://www.bbc.co.uk/cbeebies/watch/numberblocks-the-one-song>

Here are some activities about these numbers.

Numberblocks:

Number One Counting Activity

Can you help me place 1 object in each of the pictures?

Put 1  on the .

Put 1  on the .

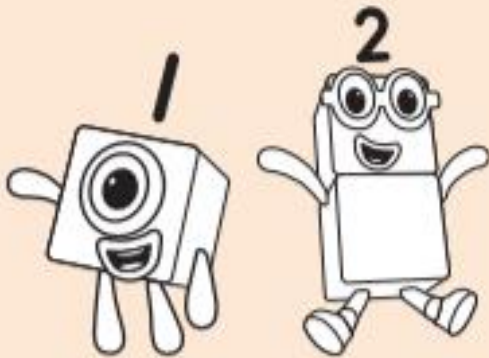

Put 1  in the .

Numberblocks: Number Two

Colour in Number Two.

Put 2 dots on the dice.

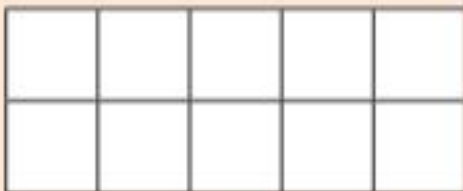

How many fingers are being shown?

Circle all the number 2s.

1 2 1 2
2 1 2

Draw 2 objects in the ten-frame.

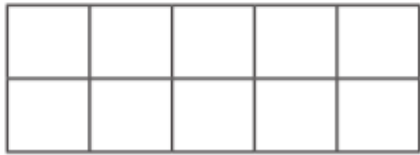

Circle 2 saxophones.

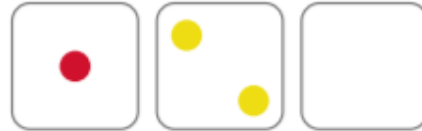

Everybody Look at 3

Draw 3 things in the ten-frame.

Put 3 dots on the dice.

Circle all the number 3s.

Can you join these 3 dots together? What kind of shape have you made?

How many more  does  need to make 3? Can you draw them?
