

Wednesday

jellyfish	octopus	whale
clown fish	sea turtle	crab
puffer fish	shark	stingray
eel	dolphin	lobster
angelfish	starfish	seahorse

Cut out the sea creatures and names. Can you read each name and match it to the correct sea creature?

Look Out! One of these sea creature names is not correct...can you find it?

# Thursday

<ul style="list-style-type: none"><li>• I have a hard shell on my back.</li><li>• I have four legs.</li><li>• I can't breathe under water.</li></ul> <p><b>What am I?</b></p>	<ul style="list-style-type: none"><li>• I have a soft body.</li><li>• I have eight legs.</li><li>• I can breathe underwater.</li></ul> <p><b>What am I?</b></p>	<ul style="list-style-type: none"><li>• I have fins and gills.</li><li>• I am a large fish.</li><li>• I often have sharp teeth.</li></ul> <p><b>What am I?</b></p>
<ul style="list-style-type: none"><li>• I am a small fish.</li><li>• I have fins and gills.</li><li>• I am orange and white.</li></ul> <p><b>What am I?</b></p>	<ul style="list-style-type: none"><li>• I have a soft body.</li><li>• I have lots of long tentacles.</li><li>• I look a bit like a mushroom!</li></ul> <p><b>What am I?</b></p>	<ul style="list-style-type: none"><li>• I have a long, thin body.</li><li>• I look a bit like a snake but I am a fish.</li><li>• I have fins and gills.</li></ul> <p><b>What am I?</b></p>
<ul style="list-style-type: none"><li>• I have a hard covering all over my body and my legs.</li><li>• I have feelers.</li><li>• I have sharp claws.</li></ul> <p><b>What am I?</b></p>	<ul style="list-style-type: none"><li>• I look like a fish but am a mammal.</li><li>• I have fins but not gills.</li><li>• I am black and white.</li></ul> <p><b>What am I?</b></p>	<ul style="list-style-type: none"><li>• I have a hard covering all over my body and my legs.</li><li>• I have sharp claws.</li><li>• I don't have a tail.</li></ul> <p><b>What am I?</b></p>
<p><b>I am a shark!</b></p> 	<p><b>I am a sea turtle!</b></p> 	<p><b>I am a jellyfish!</b></p>

<p><b>I am an octopus!</b></p> 	<p><b>I am an eel!</b></p> 	<p><b>I am a whale!</b></p> 

Friday

Answer these questions using as much detail as you can.

Why do whales have fins?

---

---

---

Why do fish have gills?

---

---

---

Why do crabs have claws?

---

---

---

Why do octopuses have tentacles?

---

---

---

Why do lobsters have antennae?

---

---

---

eye	mouth	legs
tentacles	scales	claws
mantle	sucker	gills
shell	fins	antennae

 eye	 mouth	 legs
 tentacles	 scales	 claws
 gills	 shell	 fins
 antennae	 breathe	 swim
 see	 feel	 protect
 grab	 catch	 prey
