

## **Job Hazard Form**

This form highlights hazards related to the role that could pose a risk to the post holder.

**Role Title: Teacher**

### **Manual Handling**

This role requires hazardous manual handling operations. For example, lifting pupils.

The types of manual handling operation involved in this role are people.

These manual handling operations are required on a regular basis.

The weights involved in these manual handling operations are up to 5kg/6-10kg/11-15kg.

### **Work Equipment/Machinery**

This role also involves working with moving machinery, i.e. hoists/changing beds.

### **Personal Protective Equipment**

Given the nature of this role, the post holder is required to wear personal protective clothing if required by the substances being used.

### **COSHH (Control of Substances Hazardous to Health)**

#### **Chemical Hazards**

The post holder may come into regular contact with various cleaning chemicals.

Applicants should be aware that where roles are exposed to hazardous risks, risk assessments are undertaken and control measures are put into place where possible.
