The whole school has been learning about the Islamic festival of Eid-ul-Fitr, celebrated by Muslims. The pupils have handled artefacts and learned about how Muslims worship. The Eid week ended with a great party in the hall. We are incredibly grateful to Kutis of Wickham who kindly cooked us a meal of chicken korma, chicken tikka, rice, poppadoms, chutneys and salad for absolutely FREE! This was a very generous gesture for which we are so very grateful. The food was beautiful. The children all had a taste and then did some dancing!!

Don’t forget, we now have an online payment system for dinners and uniform. If you haven’t had your registration information, please contact the school office.

The whole school enjoyed a brilliant day at Carron Row riding on the trains. Thank you to the Fareham Model Railway Engineers for inviting us. We all had an amazing time!
We are so proud to announce our ‘GOOD’ Ofsted grading!
A big thank you to all the staff and pupils for all their hard work. The full inspection report is available to read on our school website.

Many congratulations to Jo Rivers and Hazel Soffe for their recent appointments as Heads of School at Heathfield School.

Our lovely Helen will be retiring at the end of July. She has worked at Heathfield for many years. She has worked with every child, supporting them to produce amazing pieces of art. Her skills and talents were recently acknowledged in our Ofsted inspection. We shall all miss her so very much, but wish her well for an exciting as well as relaxing retirement.

A huge THANK YOU for all the food donations that you gave for our UNICEF Day for Change Appeal. Redwood Class recently delivered five boxes of food to The Fareham and Gosport Basics Bank. The children were very keen to be involved in and learn more about this important and worthwhile cause, and the volunteers there were extremely grateful for the donations given.
