Federation of Heathfield and St Francis Schools

Governing Body

23rd October 2020

Dear Parents and Carers,

Would you like to know what the Governing Body of the Federation does and what we do?

An opening for 2 parent governors is now available for you to find out more and get involved in the Federation supporting both Heathfield and St Francis Schools.

We have at present 10 governors including myself as Chairperson. We all bring different ideas and skills to the table but our central focus that we all share is that every child under the Federation shares the same provision to achieve his/her potential. We meet once a month in the evening 18.00-19.30 hours. There will be training courses and an induction programme to help you understand the process of the Governing Body.

If you are interested, I would like to arrange a meeting with you to show you around Heathfield and St Francis schools and have a chat about you joining the Governing Body. Please complete the slip below and return it to school and I will be in contact with you to arrange a meeting after half term or request an application form. Hampshire County Council have a website that you can get general information about being a governor.

I look forward to meeting you and chatting.

With regards

Christine Mouat

Chair of Governors.
