14 January 2021

Dear Parents and Carers

I hope you are all staying safe and well.

Thank you again for your patience and understanding whilst we continue to make arrangements to increase our places in both schools. By now, you should have had a conversation with someone from school asking whether you want a school place at this time. If you haven't received a telephone call or an email, it is because the contact details we have for you are not up to date. Please can I ask you to ring school as a matter of urgency if we haven't spoken to you.

I am very pleased to be able to inform you that we now have the staffing capacity to provide in school places to all who wish their child to attend. A further email will follow very shortly. Please can I ask that if you receive an email that you were not expecting, you contact the school immediately.

Home learning tasks, which can be found in the Coronavirus Section on each school's website, will continue to be updated weekly. As said previously, these are individualised for each class but of course you can make use of any learning on there.

A staff member will make regular contact with those families who have chosen to keep their child at home.

Whether your child is learning in school or at home, you can contact us at any time throughout the school day. We are here to help in any way we can at this very worrying time.

Thank you for your ongoing support and understanding, and please take care.

Yours sincerely

Rachel Weldon
Executive Headteacher
