5th September 2018

It has been so lovely to see all the children back in school after the summer break. They all look so smart!

The children have settled well into their new classes.

A big welcome to children who are new to the school.

## A big welcome...

We have lots of new staff and children joining us this September. A very warm welcome to them.

## POND LIFE

A massive thank you to staff and friends who kindly gave up their time to clear the school pond in the summer holidays. What a lot of hard work!!!

## New Classrooms!

Over the summer, our brand new classrooms arrived! Our school is expanding and the new classrooms are much needed. Kitted out with a large hygiene room, new interactive whiteboards and air conditioning!

Chestnut and Ash classes are now settled into their fabulous new classrooms.

Please keep in touch with us. We are very keen to work together with families, to ensure the very best for your child.

Don't forget to keep checking the school website for updates and details of forthcoming events.

## ZURICH

A big thank you to our kind friends from Zurich, who volunteered their time to transform the Nurture Garden over the summer. We love the space they have created!
