19th May 2017

Dear Parents and Carers,

On Wednesday 24th May, it is Unicef Day For Change. As a rights respecting school, working towards the Rights Respecting Schools Award, we would like to support this cause.

This is also an opportunity to teach pupils about their right to healthy food and to raise vital funds to help make sure malnourished children can grow up healthy and strong. We would also like to support the local food bank.

The plan for Day for Change is;

- Every child in school will learn about the right to healthy food in assembly on Monday.
- On Wednesday, every child to wear something blue to school – could be school uniform, could be own clothes.
- Every child will decorate a cup cake with funky blue designs in school
- The whole school will go on a Day for Change walk in the school grounds.

We would be very grateful if you were able to send your child in with some loose change for the Day for Change jar, and/or a food item for the local food bank.

More information about the rights of the child can be found:

<https://www.unicef.org.uk/what-we-do/un-convention-child-rights/>

Thank you for your support

Hazel Soffe
