

family learning festival

During the week of 9th October, Heathfield hosted a Family Learning Week. The aim of this week was to invite parents and carers into school and take part in a range of learning activities. The families were invited to cook, learn outdoors, dance, make symbols, sing & sign, and art and craft. A very successful week!!!

"..lovely...really liked cooking with (my son)"

"It was really nice to join with the session. The boys and I enjoyed it"

"I would love to be able to join in an something like this again and would recommend it to others"

"The activities were original and achievable, making it fun for all. It was great getting interaction with (my son) in his school environment. The staff were amazing"

"I thought it was brilliant and I really enjoyed it. I especially liked spending time with (my son) and seeing how he is at school. Would love to do it again"

"it is wonderful...for our little ones that refuse to do any activities at home, it is an opportunity to do something with them"

"..a lovely opportunity to spend quality time together.."

"It was wonderful to see (my daughter) in action in her new school ...I had only ever witnessed (her) silent and anxious in her mainstream placement. I can't begin to express the joy seeing first hand how well she is doing"

"wonderful opportunity to spend 1:1 time with my son. Provides some alternative additions to 'at home' activities. Was great to meet more staff members, all of which are incredibly friendly & welcoming"
