CHARGING AND REMISSIONS PRINCIPLES

Heathfield School aims to make appropriate charges which enable and encourage the development of a wide range of enriching activities and uses of our facilities. Charges are based on Manual of Financial Practice and Procedure which is adopted by Heathfield School

Heathfield School makes no charge for National Curriculum and related activities in school time.

We may ask for voluntary contributions for activities wholly or partly in school time which otherwise would be prohibited by cost. No child is excluded from any such activity on the basis of non-contribution.

Support is available towards part or all the cost of activity where there are financial difficulties or the family is in receipt of relevant benefits (please ask for information from the school office).

We may charge where it enables us to increase or enrich non-statutory extra- curricular provision at any time.

We support the development of all community groups use of school facilities through a flexible charging approach.

We offer minimum cost of facilities for non-profit making community activities.

We raise income for school from local groups using the facilities.
We offer caretaking services to users.
